DOB - 01-02-2003

ABOUT ME

Self-motivated and detail-oriented Python developer with a strong background in full-stack web development. Skilled in building scalable, user-friendly applications using Django and database technologies. Known for writing clean, maintainable code and continuously improving development processes. Currently pursuing MCA with a strong foundation in software design, web technologies, and problem-solving.

PROJECT

BookNest

python, Django, HTML, CSS, JavaScript

- Developed a full-featured e-commerce site for books with secure payment, user authentication, and admin controls.
- Features include smart recommendations, search filters, and inventory/order management.

Auction Hub

Python, Django, HTML, CSS

- Designed an online platform for real-time product bidding and sales.
- Implemented user registration, bidding system, and admin dashboard using Django's ORM and templates.

Laundry Management System

Python, Django, HTML, CSS

- Developed a web-based application to manage customer laundry services including order tracking, delivery status, and billing.
- Integrated admin panel for managing customers, staff, and service reports.
- Features include order status notifications, service history, and role-based access control.

BCA Books

PHP, MySQL

- Created a portal for BCA students to access semester-wise notes and study materials.
- Developed login/signup/admin modules with CRUD operations and secure backend integration.

EDUCATION

Master of Computer Applications (MCA)

Marian College, Kuttikkanam – July 2024 – Present

Bachelor of Computer Applications (BCA)

Mar Augusthinose College, Ramapuram – Aug 2021 – May 2024

Plus Two

St Sebastian HSS, Vazhithala – 2019-21

Class 10th

Ambika Vidhya Bhavan, Aimcompu- 2019 passout

CERTIFICATIONS

Programming in Python – **Meta**

Introduction to Back-End Development – **Meta**

Python 101 for Data Science – **IBM**

Graphic Designing with Photoshop – **Eduonix**

SKILLS

Technical Languages: Python, HTML, CSS, JavaScript

Frameworks: Django

Tools: MySQL, Photoshop, Excel, GitHub

Other Skills: UI/UX Design, Data Handling, Team Collaboration, Time Management
